

## SPA Digital Days: Two days of knowledge sharing and pump technology September 28 and 29, 2021

Last chance to participate at the SPA Digital Days with HERMETIC and many more Pump manufacturers.

On the 28 and 29 September the SPA Digital Days online fair will take place. On the two days, take the chance to exchange live with experts over pump challenges and solutions in practice. Stroll through the different booths and find out more about pump technologies. Seize the opportunity to join us and many other pump manufacturers at live sessions and presentations. Discover more about how to avoid damages, how to design pumps safely, total cost of ownership, the pump technology of the future and way more topics.

*As a member of the Star Pump Alliance, HERMETIC will be there with two topics:*

**HERMETIC Expert Tool – easy and quick pump selection**

**28.09.2021, 6:30 p.m. and 29.09.2021, 11:30 a.m.**

- V-line modular pumps: standardized production process for optimized and qualitative pump solutions
- New HERMETIC online pump configurator
- Live pump selection in the chemical branch

**The canned motor pump from the manufacturer's viewpoint: design and practical challenges**

**28.09.2021, 10:00 a.m. and 29.09.2021, 3:20 p.m.**

- Differences between a conventional pump and a canned motor pump
- Knowledge sharing about canned motor pumps, drive system, bearings and materials and how they influence plant parameters
- Applications, solutions and tips for the right pump selection and smooth operation

Subscribe for free at the event and choose your live session you want to attend.

Looking forward seeing you!
